All costs associated with the production or processing of hemp are the responsibility of the Licensee including, but not limited to, costs for sampling and testing of hemp plants and hemp products.

Change Requests - Official Change Requests are subject to a fee if the grow site(s) net acreage/sq ft is increased. There is no refund for reductions in the grow site(s) acreage/sq ft. Licensee/Permit holders are limited to (3) change requests per calendar year.

Renewal applications, annual license fees, and annual criminal background checks must be submitted by December 1 of the current year. Licenses will expire on December 31 of the current year if the renewal application, renewal fee, and background checks are not timely submitted.

Fees due upon approval of application

Official change (adding 5 acres)	\$250.00
----------------------------------	----------

Upon approval of this application, the above amount will be due.

Once you are finished making changes/additions, go to the "Submit" tab. Notice the fees on this application that will be due once the application is submitted. On this sample official change request, fees are due because a site was added that increased the acreage on the license. To submit the application, click on the "Submit Application" button below.

Georgia Department of Agriculture

Thank you for submitting a change request for a Georgia Hemp Grower License. At this time, program staff are reviewing your application for completeness, and will follow up with you soon if additional information is needed, or to continue the process. Please do not submit payment, provide additional documentation, or complete the required criminal background reports (if a change in key participants) until requested. Once program staff approve your application for further processing, you will be notified via email and given instructions for completing the licensing process. You will not be asked to submit payment until your application is approved and ready for licensing.

Thank you. Georgia Department of Agriculture.

Application # 231 submitted by Brandon's Individual Farm has been received.
