Bond no. _____

**REGISTERED SERVICEMAN or SERVICE AGENCY BOND
Fuel and Measures Division**

KNOW ALL MEN BY THESE PRESENTS, That we _____ as a Principal, and the _____ corporation of _____ as Surety hereby bind ourselves unto the Commissioner of Agriculture of the State of Georgia, for the benefit and use of persons owning weighing and measuring devices in the State of Georgia in the penal sum of one thousand dollars, (\$1,000.00) the payment of which, we hereby bind ourselves, our heirs, executors, administrators, and assigns.

This bond is effective on and after the ____ day of _____ and shall continue in force until canceled.

THE CONDITION OF THIS BOND IS SUCH THAT, WHEREAS, said _____ has been granted a registration permit by the Commissioner of Agriculture of the State of Georgia as a "REGISTERED SERVICEMAN."

NOW, THEREFORE, If the principal shall faithfully comply with the regulations governing a Registered Serviceman of Weighing and Measuring devices, as prescribed by the Commissioner of Agriculture, and shall indemnify the Commissioner of Agriculture for the use and benefit of persons, who suffer injury or damages as a result of the negligence, incompetence, or misconduct of a Principal in performing the aforesaid duties of "REGISTERED SERVICEMAN" then this obligation to be void, otherwise, of full force and virtue.

This bond may be canceled at any time by the Surety giving written notice to the Commissioner of Agriculture, State of Georgia, of its intention to cancel this bond and all liability hereunder shall terminate 90 days after the date of receipt of such notice except that the rights of the Obligees shall not be affected by such notice as to any claims arising hereunder, whether presented or not, before the effective date of such cancellation notice.

IN WITNESS WHEREOF, We have hereunder set our hands this ____ day of _____ in the year _____.

LP Gas Repairmen's Test

SECTION I:

1. A current edition of Handbook 44 must be available at all times.
2. The Commissioner of Agriculture is authorized to establish Rules and Regulations governing commercial measuring devices
3. After a device has been rejected, the serviceman is required to bring the device into maintenance tolerance.
4. When a rejected device is repaired, a "Service Certification" form and copy of calibration must be sent to the Fuel and Measures Division, Department of Agriculture.
5. Technical requirements for commercial weighting and measuring devices are published in the NIST Handbook 44, current edition.
6. Before making repairs to a rejected device, the Repairman must make an "as is" run.
7. When a device is found to be inaccurate, an inspector may tie the device down to prevent further usage until repairs are made.
8. All liquefied petroleum liquid measuring devices, for both wholesale and retail service, shall be equipped to deliver only temperature compensated volumes.
9. It is illegal to break a seal or remove a seal without notifying the Department of Agriculture.
10. All written invoices shall be based on temperature compensated measurements.
11. The Commissioner of Agriculture may suspend or revoke a Serviceman's license for good cause.
