

Notice 10-2 Applicant Involved in a Pending Regulatory Action Guidance Policy

Commission Guidance Policy for applicant(s) involved in a pending regulatory action pursued by the Department of Agriculture for violations of the Georgia Structural Pest Control Act and Rules specifically O.C.G.A. Title 43 Chapter 45 and Rules Chapter 620. The Georgia Structural Pest Control Commission issues this policy to assist the department in the enforcement of the Act.

The commission may hold an application where the applicant is directly involved in a pending regulatory action with the Georgia Department of Agriculture. These applications may include company license, certification and employee registration and will be held until the disciplinary action is resolved.
